## Pentecost Offering . . . Supporting New Church Ministry

This year, through the Pentecost Offering, we have the opportunity to take part in sharing what we have, dividing it, and seeing it multiply. We will help in the recruiting and training of New Church planters, and we share in the fruits of their ministry, bringing God's message to new places and new communities. We "Share the Chalice" and multiply the love.

**Ladies** - Thank you to the ladies who worked so hard this past weekend at Fair on the Square in the pizza booth. You did an excellent job and we have the money to prove it! Hope you enjoyed it. Your efforts are greatly appreciated. We love you. **DWM Board**

Many thanks to the folks that came out and helped on the yard work around the church. We were able to spread 10 yards of mulch and work on the beds. We also started work on the white picket fence around the pond. Also we divided some flowers and moved them around the beds. Thanks to Rev. Patt for the Japanese maple tree that was planted in the large bed. Again thanks, it was the biggest turnout we've had in the last couple of years. **Jane Martin**
